We cordially invite you to celebrate the grand opening of Nassau's newest hotel, the Sheraton Cable Beach Resort. Join us as we unveil a new Bahamian paradise and mark a milestone in the revitalization of the Cable Beach area during a four-day open house on Saturday, January 26 through Tuesday, January 29, 2008.

The Sheraton Cable Beach Resort is situated on a 1,000-foot stretch of Nassau's most spectacular white sand beach and nestled among a lush and tropical landscape. Come stay in one of the resort's 694 comfortable guestrooms that each feature a large private balcony or patio and are equipped with high-speed Internet access, LCD flatscreen televisions and the signature Sheraton Sweet Sleeper™ Bed. We'd also like you to take pleasure in a unique and expansive set of amenities and activities, including six restaurants and lounges, the 35,000-square-foot Crystal Palace Casino, a golf course and a variety of water sport activities.

Our itinerary includes:

- Fine dining experiences
- A culturally filled tour of Nassau
- A thrilling casino tournament
- Leisure time for you to relax on the beach, enjoy water activities and even indulge in some shopping

A sneakpreview of the upcoming Baha Mar Resorts project is also planned, where we'll be revealing some never-before shared details on this planned resort which is scheduled to break ground later in the quarter. Executives from Baha Mar and Starwood, as well as tourism officials from the Bahamian government, will also be present.

The trip includes complimentary airfare, accommodations, as well as planned meals and activities. A formal itinerary will follow within the next few weeks.
